

# Editors for Hire

Last updated November 2017

---

**Students-** Below is a list of NC State University faculty, staff, and graduate students, as well as several professionals, who have expressed interest in editing for a fee. *The Graduate School does NOT supervise, manage, recommend, or approve these services; we simply provide this list as a courtesy.* All arrangements are made between the student and the hired editor. Students-please remember that it is your responsibility to abide by the student code of conduct at all times. If you contact multiple editors about a job, please notify the ones that you decided not to hire. Be sure to inquire about their rates when you contact them.

**Editors-** The Graduate School does not offer support for Editors for Hire. Meaning, we do not answer questions nor offer formatting advice to Editors for Hire.  
*Editors are listed in alphabetical order by last name.*
