

Graduate and Professional External Reviews	Undergraduate External Reviews
<b>Spring 2017</b>	
Family Life and Youth Development	N/A
History and Public History	History
Mathematics and Applied Mathematics	Mathematics
Biomathematics (with Mathematics)	N/A
Scheduled at another time	Parks, Recreation, and Tourism Management (accreditation review; 5-year cycle)
Scheduled at another time	Chemistry (accreditation review; 5-year cycle)
N/A	Political Science
<b>Fall 2017</b>	
Animal Science	Animal Science
Genetics	Genetics
Forestry	Forestry and Environmental Resources
<b>Spring 2018</b>	
Architecture (accreditation review; 6-year cycle)	Architecture (accreditation review)
Computer Networking (with Computer Science)	NA
Computer Science (with Computer Networking)	Accreditation review scheduled at another time
Economics (CALs, COM)	Economics
Horticultural Science	Horticultural Science
Entomology	N/A
Geospatial Information Science and Technology	N/A
<b>Fall 2018</b>	
Financial Mathematics (COS, COM)	N/A
International Studies	N/A
Soil Science	Soil Science
Toxicology	N/A
Environmental Assessment	N/A
<b>Spring 2019</b>	
Communication	Communication
Biomedical Engineering	Accreditation review scheduled at another time
Microbial Biotechnology (with Microbiology)	N/A
Microbiology (with Microbial Biotechnology)	Microbiology
N/A	Polymer & Color Chemistry (accreditation review; 5-year cycle)
<b>Fall 2019</b>	
Foreign Languages and Literatures	Foreign Languages and Literatures
Mechanical and Aerospace Engineering	Accreditation review scheduled at another time
Chemical Engineering	Accreditation review scheduled at another time
Textiles (Fiber and Polymer Science, Textile Technology Management, Textile Chemistry, Textile Engineering, Textiles)	Textile Chemistry and Science, Fashion and Textile Design and Management (Textile Engineering accreditation review scheduled at another time)
Biochemistry	Molecular and Structural Biochemistry
Crop Science	Crop Science
Social Work (accreditation review; 7-year cycle)	Social Work (accreditation review; 7-year cycle)
<b>Spring 2020</b>	

Art + Design	Art + Design
Veterinary Medicine Graduate Programs (Comparative Biomedical Sciences, Specialized Veterinary Medicine)	N/A
Biomanufacturing	N/A
Accounting (accreditation review; 5-year cycle)	Accounting (accreditation review; 5-year cycle)
Business Administration (accreditation review; 5-year cycle)	Business Administration (accreditation review; 5-year cycle)
Management (accreditation review; 5-year cycle)	N/A
N/A	Economics (accreditation review; 5-year cycle)
N/A	Professional Golf Management (accreditation review; 5-year cycle)
<b>Fall 2020</b>	
Plant Pathology	N/A
Liberal Studies	Interdisciplinary Studies
Master of Engineering	N/A
Biomanufacturing	N/A
Master of Public Administration (accreditation review; 7-year)	N/A
<b>Spring 2021</b>	
Communication Rhetoric & Digital Media	N/A
Electrical and Computer Engineering	Accreditation review scheduled at another time
Electric Power Systems Engineering (with ECE)	N/A
Fisheries and Wildlife Sciences (CNR, CALS, COS)	N/A
Genomics (Functional Genomics & Bioinformatics) (COS, CALS)	N/A
Statistics	Statistics
Graphic Design (accreditation review; 10-year cycle)	Graphic Design (accreditation review; 10-year cycle)
Industrial Design (accreditation review; 10-year cycle)	Industrial Design (accreditation review; 10-year cycle)
Veterinary Medicine (DVM) (accreditation review; 7-year cycle)	N/A
<b>Fall 2021</b>	
Chemistry	Accreditation review scheduled at another time
Civil Engineering	Accreditation review scheduled at another time
Environmental Engineering (with Civil Engineering)	
Forest Biomaterials	Wood Products and Paper Science Engineering accreditation review scheduled at other times
Design (Ph.D.)	N/A
Analytics (with Institute for Advanced Analytics)	N/A
Natural Resources (CALS, CNR, COS, Design)	N/A
<b>Spring 2022</b>	
Counselor Education (Counseling and Counselor Education, Clinical and Mental Health Counseling, College Counseling and Student Development, School Counseling) (accreditation review; 8-year cycle)	N/A
Industrial Engineering	Accreditation review scheduled at another time
Physiology (MOP)	N/A
Psychology	Psychology
Landscape Architecture (accreditation review; 6-year cycle)	N/A
N/A	Agricultural and Resource Economics
Adult and Community College Education, Education Research and Policy Analysis, Higher Education Administration, Training and Development	N/A

Educational Leadership, Policy, and Human Development (grad-only; excludes counseling programs)	Educational Leadership, Policy, and Human Development (accreditation review; 7-year cycle)
STEM Education (grad-only)	STEM Education (accreditation review; 7-year cycle)
Teacher Education and Learning Sciences (grad-only)	Teacher Education and Learning Sciences (accreditation review; 7-year cycle)
Agricultural and Extension Education (accreditation review; 7-year cycle)	Agricultural Education (accreditation review; 7-year cycle)
Landscape Architecture (accreditation review; 6-year cycle)	N/A
Scheduled at another time	Parks, Recreation, and Tourism Management (accreditation review; 5-year cycle)
Scheduled at another time	Chemistry (accreditation review; 5-year cycle)
School Psychology (accreditation review; 7-year cycle)	N/A
School Counselor (accreditation review; 7-year cycle)	N/A
Scheduled at another time	Parks, Recreation, and Tourism Management (accreditation review; 5-year cycle)
Scheduled at another time	Chemistry (accreditation review; 5-year cycle)
<b>Fall 2022</b>	
Plant Biology	Plant Biology
English (Creative Writing, Literature, Technical Communication)	English
Marine, Earth, and Atmospheric Sciences	Marine, Earth and Atmospheric Sciences
Climate Change and Society (with MEAS)	N/A
Nuclear Engineering	Nuclear Engineering (accreditation review; 6-year cycle)
Scheduled at another time	Aerospace Engineering (accreditation review; 6-year cycle)
Scheduled at another time	Biological Engineering (accreditation review; 6-year cycle)
Scheduled at another time	Biomedical Engineering (accreditation review; 6-year cycle)
Scheduled at another time	Chemical Engineering (accreditation review; 6-year cycle)
Scheduled at another time	Civil Engineering (accreditation review; 6-year cycle)
Scheduled at another time	Computer Engineering (accreditation review; 6-year cycle)
Scheduled at another time	Computer Science (accreditation review; 6-year cycle)
Scheduled at another time	Construction Engineering and Management (accreditation review; 6-year cycle)
Scheduled at another time	Electrical Engineering (accreditation review; 6-year cycle)
Scheduled at another time	Engineering--Mechanatronics Concentration (joint program with UNC-Asheville) (accreditation review; 6-year cycle)
Scheduled at another time	Environmental Engineering (accreditation review; 6-year cycle)
Scheduled at another time	Industrial Engineering (accreditation review; 6-year cycle)
Scheduled at another time	Materials Science and Engineering (accreditation review; 6-year cycle)
Scheduled at another time	Mechanical Engineering (accreditation review; 6-year cycle)
Scheduled at another time	Paper Science and Engineering (accreditation review; 6-year cycle)
Scheduled at another time	Textile Engineering (accreditation review; 6-year cycle)
<b>Spring 2023</b>	
Biological and Agricultural Engineering	Agriculture and Environmental Technology (accreditation review for Biological Engineering scheduled for another time)
Food Science	Food, Bioprocessing, and Nutrition Sciences
Physics	Physics
Public Administration	N/A
<b>Fall 2023</b>	
Integrated Manufacturing Systems Engineering	N/A

Materials Science and Engineering	Accreditation review scheduled at another time
Nanoengineering (with MSE)	N/A
Nutrition	N/A
N/A	Philosophy and Religion
<b>Spring 2024</b>	
Architecture (accreditation review; 6-year cycle)	Architecture (accreditation review)
Operations Research (COE, COS)	N/A
Parks, Recreation, and Tourism Management	Sports Management (PRTM accreditation review scheduled at another time)
<b>Fall 2024</b>	
Poultry Science	Poultry Science
Sociology and Anthropology	Sociology and Anthropology
Biology (separate review of graduate program)	Biological Sciences (separate review of undergraduate program)
Nuclear Engineering	Nuclear Engineering (accreditation review; scheduled at another time)
<b>Spring 2025</b>	
Family Life and Youth Development	N/A
History and Public History	History
Mathematics and Applied Mathematics	Mathematics
Biomathematics (with Mathematics)	N/A
N/A	Political Science
<b>Fall 2025</b>	
Animal Science	Animal Science
Genetics	Genetics
Forestry	Forestry and Environmental Resources
<b>Spring 2026</b>	
Computer Networking (with Computer Science)	N/A
Computer Science (with Computer Networking)	Accreditation review scheduled at another time
Economics (grad-only)	N/A
Horticultural Science	Horticultural Science
Entomology	N/A
Geospatial Analytics & Geospatial Information Science and Technology	N/A
