

# SAS Reports: 10-Year Profile

A NEW WAY TO GET WHAT YOU  
NEED

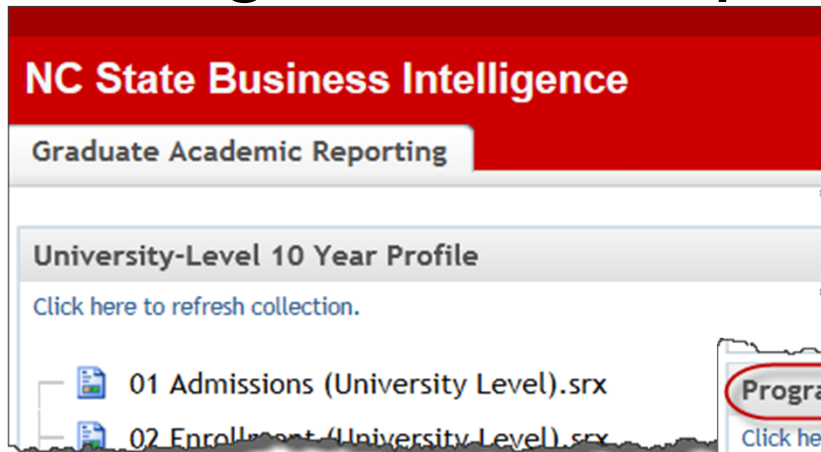

# How to get to SAS Reports

- New link to the SAS Information Delivery Portal (a one-stop repository for all reports) in the “Graduate Administrators” pagelet
  - MyPack Portal
  - For Faculty & Staff
  - Reporting section

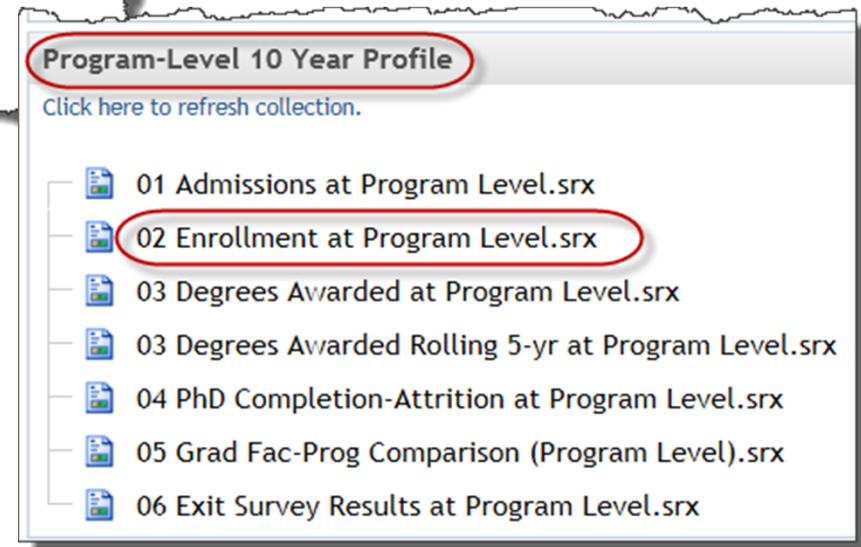

# Information Delivery Portal

- Program level reports are at the bottom

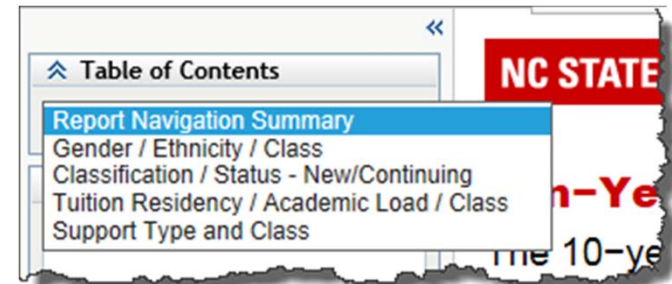

- Clicking the link runs the report

# Navigating in the Reports

- Each report opens with a navigation summary describing all report sections
  - Upper left drop-down: report section names
  - Upper right: numbers of sections
  - Click section name from drop-down or type section number and hit enter to go to that report section

# Running the Reports

- All college-level and program-level reports will prompt you for either the college or the academic program
- Choosing multiple items will run a combined report for all items chosen.

Answer the prompts below and click the View Report button to continue.

Gender / Ethnicity / Class

\* Program Descr

Available:    Rows 1 - 100 of 132   Selected:

(all possible values)	
Accounting	
Adult & Community College Edu	
Aerospace Engineering	

# Running the Reports

- Most reports will have additional prompts

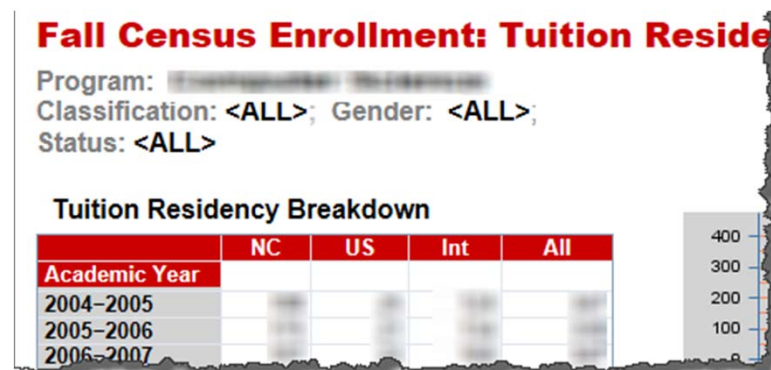

- They allow you to “slice and dice” the report in many ways

The image shows two overlapping report prompts. The top prompt is titled '\* Select Class' and has an 'Available:' list with '(all possible values)', 'CT', 'MR', and 'DR'. It also has a 'Selected:' field with '(all possible values)'. The bottom prompt is titled '\* Status prompt' and asks 'Select status (New or Continuing)'. It has an 'Available:' list with '(all possible values)', 'New', and 'Cont'. It also has a 'Selected:' field with '(all possible values)'. Both prompts have a light blue border and a white background.

- Those prompts are optional (“all possible values” is the default choice)
- Examples: class, new/continuing status, academic load, gender, tuition residency

# Running the Reports

- What do these reports tell me?
  - Data for the most recent ten-year period
  - Presented in both tabular and line-graph format
  - Reports can be exported to Excel by choosing Data → Export
  - Or you can export individual tables (right-click, Export Table, Excel)

# What's in the 10-year Profile?

- Graduate Admissions Report
- Census Graduate Enrollment Report
- Degrees Awarded Report
- PhD Completion & Attrition Report
- Faculty & Comparison Program Report
- Exit Survey Reports
