

Table of Contents

The Academic Structure Reference Appendix provides graduate academic structure information in a hierarchical structure. There are three sections in the Appendix.

Section Description	Page
1.Active programs in a program, plan, subplan hierarchy	1
2.Active major plans in an acad org, plan, subplan hierarchy	126
3.Active minor plans and certificates in an acad org, plan hierarchy	280

NOTE: This report is based on a static snapshot of academic structure taken from the SIS Reporting Database on the date shown in the footer on the bottom right of each page.

1. Hierarchy: Program, Plan, Subplan

This report provides the following information about active programs, plans and subplans arranged in a hierarchical format.

Program: Name, Description, Program Acad Org, Program Acad Org Formal Description, CIP Code, CIP Code Description, Academic Group, Academic Group Description

Plan: Name, Description, Long Description, Plan Type, Degree, Plan Acad Org, Plan Acad Org Description

Subplan: Name, Description, Subplan Type

NOTE: This report is based on a static snapshot of academic structure taken from the SIS Reporting Database on the date shown in the footer on the bottom right of each page.
