

## 3.11 Dual Master's Degrees

Students enrolled in a master's degree program at NC State University may pursue additional master's degrees simultaneously provided that:

1. the Director of Graduate Programs (DGP) of each program approves the pursuit of multiple degrees;
2. an approved Plan of Work for each master's degree is submitted;
3. 18 hours are unique to each degree program; and
4. all other requirements and Graduate School rules are met for each degree;
5. the time limits in place for the initial degree apply to all others.
