

Accelerate to Industry™  
FOUNDED BY THE NC STATE UNIVERSITY  
GRADUATE SCHOOL

## A2i Industry Job Search Strategies

### Do you know how to position yourself to be competitive for industry jobs?

Learn strategies that will allow you to elevate your candidacy for industry positions through –

- Presentations
- Development workshops
- Panel discussions
- Interactions with industry professionals

### Job Search Strategies

Graduate students and postdocs must learn to set themselves apart from their competitors, and to show that they possess the competencies highly valued by industry employers.

Through development workshops, career panels, and presentations that address the topics listed below, this development series will endow NC State graduate students and postdocs with strategies and knowledge that will enhance their ability to land industry jobs and to better navigate their careers.

- The industry career landscape
- Personal branding
- Networking and LinkedIn
- Communication strategies
- Resume, CV, and cover letter writing
- Interviewing with confidence
- Salary and compensation negotiation
- Developing professional portfolios and strategic plans
