

## Membership in Phi Kappa Phi

Admission to the Honor Society of Phi Kappa Phi is by invitation only and requires nomination and approval by a chapter in accordance with the bylaws of both the chapter and the national Society. Both require superior scholarship and good character as criteria for membership.

### Purpose

The primary objective of the national Honor Society of Phi Kappa Phi is the recognition and encouragement of superior scholarship in all academic disciplines. The Society is convinced that in recognizing and honoring those persons of good character who have excelled in scholarship, in whatever field, it will stimulate others to strive for excellence. Moreover, the Society serves the interests of the student capable of excellence by insistence that in order to acquire a chapter of Phi Kappa Phi, an institution provide the means and atmosphere conducive to academic excellence.

- Founded in 1897 at the University of Maine, Phi Kappa Phi is the nation's oldest, largest, and most selective all-discipline honor society.
- The Society's mission is "to recognize and promote academic excellence in all fields of higher education and to engage the community of scholars in service to others."
- The motto of Phi Kappa Phi is Philosophía Krateítō Phōtôn, translated "let the love of learning rule humanity."
- Those elected to membership include upper 7.5 percent last-term juniors (having completed at least seventy-two semester hours) and upper 10 percent seniors, along with outstanding graduate students, faculty, professional staff, and alumni.
- Since its founding, more than 1 million scholars have been inducted into Phi Kappa Phi.
- Approximately 3,000 faculty and staff volunteers give of their time to serve as officers of local Phi Kappa Phi chapters.
- More than 300 chapters of Phi Kappa Phi exist on the campuses of colleges and universities across the United States, Puerto Rico, and the Philippines.
- The Society's official symbols include the Phi Kappa Phi key, ribbon, and seal.
- One million dollars is awarded each biennium in national and local scholarships.

## *Study Abroad Grant Competition*

As part of its efforts to recognize and encourage academic achievements in all disciplines, The Honor Society of Phi Kappa Phi sponsors this study abroad grant competition.

The program is designed to help support students as they seek knowledge and experience in their academic fields by studying abroad. Each year, Phi Kappa Phi awards 50 Study Abroad Grants of \$1,000 each. For more information, go to <http://www.phikappaphi.org>

### *\$500 Love of Learning Awards Available*

Love of Learning Awards are available to active (dues paying) members seeking funding for a wide range of post baccalaureate studies and/or career development opportunities.

The competition is open to all active Phi Kappa Phi members who have completed their baccalaureate studies by application submission and have not received a Fellowship or Award of Excellence Grant.

If you meet the above criteria and need funding for graduate or professional studies, doctoral dissertation research, continuing education, career development/training, and/or career- or academic-related travel, apply for a Love of Learning Award today!

If you have questions about the award or the application process, contact [LoveofLearning@PhiKappaPhi.org](mailto:LoveofLearning@PhiKappaPhi.org) or call 800.804.9880 ext. 35.

## Faculty Recognition

Dr. Trudy Mackay is a William Neal Reynolds and Distinguished University Professor of Biological Sciences. She has an active research program focused on evolutionary quantitative genetics, genetic architecture of complex behaviors, models of human complex traits, speciation, and systems genetics of complex traits. Dr. Mackay has authored or co-authored more than 170 refereed publications, several books, including the principal textbook in quantitative genetics, and book chapters; and has presented papers at nearly 100 conferences and symposia.

She is a Fellow of the American Academy of Arts and Sciences, the National Academy of Sciences of the United States and the Royal Society. Others who have been fellows of the Royal Society include Newton, Darwin, Einstein and Hawking.

Trudy has received numerous awards in recognition of her work, including, in 2004, both the Genetics Society of America Medal and the O. Max Gardner Award of the North Carolina State University. Dr. Mackay is a true team player who is always willing to provide service to the University and has been a role model and mentor to numerous undergraduates and graduate students who have gone on to have successful careers.
