Dr. Peter Harries
Interim Dean of the Graduate School
NC State University

Dr. Harris:

The Natural Resources Graduate Program would like to discontinue the following Soil Science Technical Options within the Masters program in Natural Resources:

11NRLMR
11NRLMS

We propose discontinuing these due to extremely low enrollment. There has been one student enrolled in the soil science technical option in the past 10 years and we do not anticipate more enrolling in the future. There are no students currently enrolled in either option.

Please contact me at fred_cabbage@ncsu.edu if you need any more information.

Sincerely,

/s/ Fred Cabbage, sent via email
