Reader Review Forms

Moving an application to another bin, leaving review notes as a GSC, as a faculty reviewer, or entering a decision as a DGP all must be done through the review forms built into the reader. To access these forms, you must have the application you want to take action on, added to your queue.

Adding an Application to your Queue

To open a review form, you must first have the application in your queue. If you are looking at applications from a list view within a bin, you can add one or multiple applications to your queue. Just click anywhere on the application row - selected rows will be highlighted in dark blue – then in the top right corner, the number of selected applications is indicated in parenthesis on the “Add to Queue” button. When satisfied, click “Add to Queue.”

Or, if you already have an application open in the reader, you will see an “Add to Queue” button on the left-hand side of the thin gray bar at the very bottom of the screen. Once you add it to your queue, you will see a similar button to the one you just clicked, called “Review Form/Send to Bin” on the right-hand side of the thin gray bar. Click this make the review form appear.
Review Form Overview

Once the “Review Form/Send to Bin” button is selected, all forms will be located to the right side of the reader.

There are four forms available to departments, depending on user’s security role and which of the Reader’s bins you are currently viewing. The below table shows which forms are available in which department's context:

Waive Dept Exam Form (formerly GSC Form)

The Waive Dept Exam Form and the Pre-Review Comments Form are both available in the “Awaiting Materials” bin. The only difference is the Exam Waiver heading and question at the top of the form.

To mark departmental entrance exams as “Received,” select “Yes” in the drop-down menu. This will mark the checklist item as “Waived” on the application.

If an applicant should be in the ABM program, select “Yes.” After completing the form, you should upload an ABM Plan of Work via the Slate dashboard. See upload materials instructions...

Selecting “Withdraw” will remove the application from further review and will post a decision of “Withdrawn” to the applicant’s record.

Select the “Next Bin” to which you want to send the application and click “Send.”

Once you click “Send,” the application will be removed from the current bin and moved into the selected “Next Bin.”

If you want to waive the departmental entrance exam, but leave it in the current bin until other materials are received, set the “Next Bin” to “Awaiting Materials.”
Pre-Review Comments Form

The Pre-Review Comments form is available in the “Awaiting Materials” bin and all of the departmental review bins, including the “Waitlist” bin.

Check the “Pre-Review Comments” box to expand the form.

A GSC can add any notes that they may want DGPs or departmental reviewers to see while reviewing the application.

Indicating the applicant’s GPAs here will populate the GPA fields on both the DGP review form and the Graduate School Liaison form.

Select the “Next Bin” to which you want to send the application and click “Send.”
DGP Review Form

The DGP review form is available in all the departmental review bins, including the “Waitlist” bin.

Check the “DGP Decision Review Form” box to expand the form.

The applicant’s program, delivery method, area of interest, and admit term will populate based on the information provided in the application. If the information they have entered is correct, leave the fields alone. If they should change, select the correct option from the drop-down.

If an applicant should be in the ABM program, select “Yes.” After completing the form, you should upload an ABM Plan of Work via the Slate dashboard.

Select either Deny, Recommend Full Admission, Recommend Provisional Admission, or Withdraw from the drop-down.

If you are not ready to make a decision on the application and want to add it to your waitlist, check the “Add to Waitlist” box. NO communication or decision is sent to the applicant when this box is checked.

Once the DGP review form is complete and ready to be sent to the Graduate School, the DGP should set the “Next Bin” to the “Complete – Send to Grad School” bin and click “Send.” This will complete the application.
Dept Reader (Faculty) Review Form

The Reader review form is available in all the departmental review bins, including the “Waitlist” bin.

The ratings from these fields are averaged to produce the total rating.

Once the Dept Reader Review Form is complete, the reviewer should click “Send”, this will save your review form. No change to “Next Bin” is necessary.
