- The **DGP summer workshop** will take place **August 15th** in the College of Textiles Convocation Room.
- The **NEW GSC/DGP summer workshop** will take place **August 13th** in the College of Textiles Convocation Room. New DGPs should also plan on attending the larger DGP workshop.

New Student Orientation

New Graduate Student Orientation will be held on Monday, Aug. 20 at the McKimmon Center. As in the past, we will offer morning and afternoon sessions, but instead of dividing students alphabetically, we are planning one session for more research-oriented students and another for non-thesis students so that the content is more effectively geared to those audiences. The research-oriented session will be held in the morning (9-11:30 am) for Ph.D. students, master's thesis students and some non-thesis students from programs that have a research component. The afternoon session (1:30-4 pm) will target non-thesis students. Between sessions, there is an information fair (11:30 am-1:30 pm) with campus and off-campus organizations. We encourage all students to visit the information fair either before or after their orientation session if for nothing else than to get some Howling Cow ice cream.
