2. Statement from Nominee’s Graduate Program

I understand and agree to the following terms and conditions:

- A. During the Scholar’s first year, he or she will receive a fellowship carrying a stipend of \$25,000, plus academic year tuition, fees required of all graduate students, and health insurance. Financial support during the first year of the program will be funded through the Office of the Provost.
- B. Subsequent years of support will be provided by a Scholar’s faculty mentor, graduate program and/or college, and may be in the form of a TA, RA or fellowship. Scholars will continue to receive such support (contingent on satisfactory academic progress and availability of funds) for a period of five additional years. This funding will consist of a stipend in an amount commensurate with the average departmental stipend level, but not less than \$20,000. Continuation of academic year tuition and health insurance is subject to the provisions of the Graduate Student Support Plan.
