YEARS OF GRADUATE STUDENT SUCCESS

Fees Update

- Nature of Uniform Guidance
 - New interpretation
 - Basis for that
- What it means in terms of students on grant-funded
- How are we moving forward?

125

YEARS OF GRADUATE STUDENT SUCCESS

Premium Tuition Update

- Decision by the Provost's Office to not allow currently enrolled students be simultaneously enrolled in a non-premium

YEARS OF GRADUATE STUDENT SUCCESS

Admissions Justifications: Provisional Admits and TOEFL Waiver

- In general, we want to know why the department is convinced that the student is going to be academically successful
- The justification should be supplied at any point such a request is made
- Make sure the basis for the justification is accurate
- Additional Point: for provisional admits, the requirements need to be clearly spelled out as they are now included in the admissions letters
