## Graduate Student Support Plan (1)

## Eligibility Requirements At-A-Glance

Current Graduate Classification		Number of Semesters from Initial Graduate Enrollment to Current Semester (2)										
		1	2	3	4	5	6	7	8	9	10	> = 11
		Hours of Registration Required (F = Full-time, at all times) (4)										
Master's		F	F	F	F	F	F	F	F	F	F	F
Doctoral	DR students with a previous related master's degree upon initial enrollment to the Graduate School	F	F	F	F	F	F	F	F	F	F	F
	DR student without a previous related master's degree upon initial enrollment to the Graduate School	F	F	F	F	F	F	F	F	F	F	F

(1) For degree seeking graduate students that meet the below requirements at all times.

- ★ Have an active, qualifying graduate appointment (RA, TA, RA-TA, EA, or primary fellowship) with a minimum stipend of, at least, \$8,000 annualized. The qualifying appointment must begin on or before Census Day and extend, at least, 10 days beyond the first day of classes. Tuition will be prorated for graduate appointments that do not extend through the fall or spring semesters.

- ★ Active in an on-campus master's or doctoral program. Distance education and graduate certification programs do not qualify for the Graduate Student Support Plan

- ★ Student must be enrolled full-time at all times. (4)

- ★ Student must be within allowed semesters in order to be eligible for GSSP tuition benefits.

Eligible Benefits: NCSU RA-TA Health Insurance Plan, In-State Tuition, & Out-of-State Tuition (2, 3)

F

Eligible Benefits: NCSU RA-TA Health Insurance Plan ONLY

F

Eligibility for any Graduate Student Support Plan benefit is contingent on meeting these requirements at all times. If a student ceases to meet any of the GSSP requirements, it will negatively affect their tuition (responsible for some or all semester tuition) and health insurance benefits (termination of coverage).

# Receiving Benefits

Once a student actively meets all eligibility requirements ahead of Fall or Spring semester, the Graduate Support System *automatically*:

- Creates a tuition award,
- Adds the student to the NCSU RA-TA Health Insurance Plan (8/1 or 1/1), and
- Applies benefits to the student's billing account.

Timely action on the part of the student and appointment sponsoring program is important. The student is ineligible for GSSP benefits if eligibility requirements are not met by Census Day each semester.

If a student fails to meet all GSSP eligibility requirements at all times, they may lose all or a portion of their benefits.

# GSSP Exceptions

Exception requests may be submitted by the DGP or GSC

Fall 2020 exceptions will not be considered after Census Day except in extreme circumstances
