Please complete the following form and upload it with supporting documentation to your online application. Your application will be incomplete and we will be unable to proceed until this form and the supporting bank documents have been received.

You must document sufficient funds available for the 3+X GTI Program. We will accept a personal bank statement or letter which demonstrates the exact amount of liquid assets currently on deposit in the account. If you are not using personal funds, please indicate how you will be supported in the space provided in Section II below, listing a relative, friend, employer, government or institution funding **and submit their financial documentation in the form of a Bank Statement or Letter.**

Sponsorship by non-immigrants in a visa status which does not allow employment (such as F-2, TD, etc.) may not be acceptable and may require further information.

The Bank Statement OR Bank Letter:

- Must certify that the money is currently on deposit in liquid assets.
- May include checking or savings accounts, certificate of deposits, or money market accounts. However, value assessments of properties or stocks/investments, salary information, mortgages, etc. **are not** acceptable.
- Must be in English or translated to English.
- Date of issuance must be clearly listed on the document, and the date must be within 6 months from the receipt date at NC State University.
- Bank letters must include the printed name, job title, and original signature of a bank representative.

Applicants who will be financially sponsored by his/her employer, home government or university must provide an Official Letter of support from his/her scholarship or fellowship source with the current date and a signature indicating the amount and duration of the award. The letter should also include the applicant's name and state that it is valid specifically for enrollment in the 3+X GTI Program. **Estimated Cost of Attendance** (Standard I-20 issuance is for one semester)

Spring Semester

| | |
|--------------------------|----------------|
| Tuition and fee: | \$15,906 |
| Health Insurance: | \$ 1,393 |
| <u>Living expenses :</u> | <u>\$8,086</u> |
| Total: | \$25,385 |

Health Insurance is a requirement for F-1 students. All students will be enrolled in the Student Insurance Plan administered by Student Blue, Blue Cross Blue Shield of North Carolina. Some students may qualify for a waiver of the plan: <https://healthypack.dasa.ncsu.edu/>.

**** Please note that applicants will need to submit another CFR when they are ready to move into the master's program after completion of the GTI program. Applicants will have to be able to demonstrate a new amount based on the Spring 2022 fees. Our current fees for the general graduate program is \$49,152 in support- \$27,603 for tuition, \$21,549 for living expenses (9 months for F-1) which includes Rent, Fees, Food, Books and Personal expenses. J-1 students must show at least \$54,543 in support- \$26,940 for living expenses (12 months for J-1) per each year as listed on the DS-2019. Part-time or full-time employment during summers should not be expected to be a significant means of support.**
