Payroll Deduction for Student Fees Instructions

Graduate students on assistantships have the option to enroll for payroll deduction to pay their student fees. Please note this option is not available to students on Fellowships as they are not paid through the Payroll system. This is not a pre-tax deduction. Payments will be deducted from the student’s stipend starting with the February 4th paycheck over six pay periods. If the appointment is terminated, any outstanding fees balance must be paid in full.

Payroll deduction may be used to pay full or part time fees, including the engineering fee, if applicable. Only students on Assistantships may use payroll deduction. Students on Fellowships must make other arrangements to pay their fees, including our monthly payment plan. Please contact your department if you are unsure if you qualify.

Payroll Deduction Authorizations can be submitted and updated until Census. After that point, no new requests will be accepted. The next semester enrollment will open when we bill for the semester. Payroll deduction is not available for summer terms.
