▼ Important Information

The Graduate Student Support Plan is a competitive support package used to attract top students to NC State University. Graduate students that meet the requirements below are eligible to receive health insurance and standard tuition support (for a limited number of semesters).

- Supported on a qualifying graduate assistantship (teaching or research) or fellowship of, at least, \$666.67 per month.
- Meet the minimum enrollment requirement – [Full-time](#), at all times.
- Enrolled in an on-campus master’s or doctoral program. Distance Education and Graduate Certificate programs do not qualify for the Graduate Student Support Plan.

GSSP tuition benefits will not apply to your billing account until all GSSP eligibility requirements are actively met in the Student Information (SIS) and Human Resources (HR) systems. Please see the checklist below for one-page GSSP eligibility summary.

- [GSSP Eligibility Summary \(Checklist\)](#)
- [GSSP Requirements At-A-Glance \(Semesters of Benefits Eligibility\)](#)

The next section of the screen displays the final term the student is eligible to receive tuition support based on the number of semesters the student has enrolled in a graduate program. Please note that a student can receive Graduate Student Health Insurance benefits even after the final term if they meet GSSP eligibility criteria. The section also shows if the student is eligible to receive tuition and/or health insurance benefits in the current term and the status of the student meeting the GSSP eligibility requirements.

▼ Final Term of Tuition Support

2027 Spring Term

Your final term of GSSP tuition support is projected to be the 2027 Spring Term, assuming that you enroll in each fall and spring term. Every semester in which the student is enrolled counts against the total number of allowed semesters for tuition support, even if the student does not participate in the Graduate Student Support Plan.

IMPORTANT: Please note that the Graduate School will post the tuition payment and remove the mandatory health insurance charge from the student's account if the student meets GSSP Eligibility (all green checks in the “Benefit Eligibility Section” and the department has committed to fund the student (Yellow triangle in the “Active, qualifying GA appt.” requirement above)

The student has until the Census date (10th day of term) to enroll full-time and for the GA appointment or eligible Fellowship from the Department to be fully approved and activated.

PLEASE FOLLOW-UP WITH YOUR DEPARTMENT IF YOUR ACCOUNT SHOWS “APPOINTMENT PENDING” AS YOU GET CLOSER TO CENSUS. THE GRADUATE SCHOOL WILL REVERSE THE TUITION PAYMENT FROM YOUR ACCOUNT AND ADD THE MANDATORY STUDENT HEALTH INSURANCE CHARGE TO YOUR ACCOUNT IF ALL REQUIREMENTS ARE NOT MET BY CENSUS DATE.

The Graduate Support plan section also provides an opportunity for the student to enroll in Payroll deduction for student fees as shown below:

▼ Payroll Deduction Authorization

▼ Important Messages

Submit this form to enroll in payroll deductions for fee payments.

Payroll deduction may be used to pay full or part time fees, including the engineering fee, if applicable. **Only students on Assistantships may use payroll deduction.** Students on Fellowships must make other arrangements to pay their fees, including our [monthly payment plan](#). Please contact your department if you are unsure if you qualify.

Payroll Deduction Authorizations can be submitted and updated until Census. After that point, no new requests will be accepted. The next semester enrollment will open when we bill for the semester. Payroll deduction is not available for summer terms. (30302,503)
