Admissions

Be sure to wrap up your fall 2022 applications that are still pending a department decision. Classes begin August 22nd, so fall applications should be processed prior to the term start date. If your program is full, pending applications should be denied or moved to a future admit term (this can be accomplished by sending an email to graduate_applications@ncsu.edu).

Likewise, if your application is still available to applicants for fall 2022, but you are no longer accepting new students for the term, please email Lindsay at lwgentil@ncsu.edu, and request to have your application cycle closed for the term.

Course Registration - Fall 2022

We tend to see an increase in schedule revision forms at the beginning of the term. These are mostly from students who “forgot” to register, or didn’t know they had to register for the term in which they defend. Please ask your students to check their schedules and make sure they are registered properly prior to census day, Sept. 2.

Residency

Residency determination is handled through the NC Residency Determination Service (RDS); note that students should only submit an RDS application after they have been physically present in NC for one full year or longer. Additional information is available at go.ncsu.edu/NCRRes.

It is imperative that new out-of-state students, who intend to apply for in-state residency in Fall 2023, begin their residency acts as soon as they arrive in NC. Some examples of residency acts include getting a NC driver's license, registering to vote, registering a vehicle, and further actions which demonstrate ties to NC.

Advanced Enrollment Deposits

As a reminder, if your graduate program requires an enrollment deposit, September 1 is the deadline to request a deferment of the enrollment deposit for students deferring from 2022 admit terms.

Internal Transfer Credit

As mentioned in the GSC workshop, DGPs/GSCs now have access to process internal transfer credit via the "Prior NCSU Credit-Admin" page in SIS. This allows depts to approve credit taken as NDS to be used towards the graduate degree for specific students. The navigation to the page is:

SIS>Advising Tile>Graduate Plan of Work Folder>Prior NCSU Credit-Admin Page

The following query will return a list of students, prompted by academic program, with pending internal transfer credit.

Query name: SIS_GRAD_TRANSFER_PENDING

Electronic Exam Sign-off

DGPs and GSCs have access to **view** the electronic exam system. DGPs/GSCs can check on the status of an exam at any time after the exam has been scheduled.
