

**NIH/NCSU MOLECULAR BIOTECHNOLOGY TRAINING PROGRAM
(MBTP)**

2023 Nomination Form

Statement from Nominee

- A. Having carefully read the "Fact Sheet" describing the MBTP Program, I am applying for a new MBTP Traineeship. My plans are to remain on this fellowship for two years.
- B. In accepting this fellowship, I agree to fulfill the following course requirements in addition to the requirements of my graduate program:
- Professional Development (BIT 815D, or equivalent to be approved by RM Kelly)
 - Research Ethics (BIT 815K, or equivalent to be approved by RM Kelly)
 - Capstone Biotechnology Course (BIT 815N)
 - Graduate Biotechnology minor (BIT 510 and two BIT modules, or 3 BIT modules in place out of BIT 510 " to be approved by RM Kelly)
 - Rigor & Reproducibility in Research (BIT 815R, or equivalent to be approved by RM Kelly)
- C. In accepting this traineeship, I agree to participate in/complete the following:
- Annual Biotechnology Research Symposium
 - Service Project
 - Industrial Rotation
- D. I understand that the annual stipend for the MBTP Traineeship stipend is \$25,836.
