April 15th Resolution

Students who are given an offer of admission with support are **not** required to respond with their intention to attend until April 15th. Based on the CGS Resolution deadline **departments cannot require a student give an answer prior to April 15th**. A link to the Council of Graduate Schools April 15th Resolution can be viewed [here](#).

Admissions

A justification is required on the DGP form in Slate for any applications that do not meet a Graduate School minimum requirement. For example, if the student does not meet the minimum 3.0 GPA requirement or TOEFL (18 in each category & total of 80) /IELTS (6.5 in each category) a justification must be provided. Recommendations must be based on official scores, not self reported scores. The Graduate School will not proceed with recommended decisions until the official scores are received.

Slate instructions can be found [here](#)
