Admissions

Reminder - Fall 2023 pending applications will be denied after the August 1st decision deadline, and applications will be closed. Applications are available for all 2024 admit terms.

Advanced Enrollment Deposits

As a reminder, if your graduate program requires an enrollment deposit, September 1 is the deadline to request a deferment of the enrollment deposit for students deferring from 2023 admit terms.

Course Registration - Fall 2023

We tend to see an increase in schedule revision forms at the beginning of the term. These are mostly from students who “forgot” to register, or didn’t know they had to register for the term in which they defend. Please ask your students to check their schedules and make sure they are registered properly prior to census day, **Sept. 1**.

Residency

Residency determination is handled through the NC Residency Determination Service (RDS); note that students should only submit an RDS application after they have been physically present in NC for one full year or longer. Additional information is available at go.ncsu.edu/NCRes.

It is imperative that new out-of-state students, who intend to apply for in-state residency in Fall 2024, begin their residency acts as soon as they arrive in NC. Some examples of residency acts include getting a NC driver's license, registering to vote, registering a vehicle, and further actions which demonstrate ties to NC. It is advised that students utilize walk-in appointments for the DMV, as online appointments are not available until several months from now.
