

Payroll Deduction for Student Fees Instructions

Graduate students on assistantships have the option to enroll for payroll deduction to pay their student fees. Please note this option is not available to students on Fellowships as they are not paid through the Payroll system. This is not a pre-tax deduction. Payments will be deducted from the student's stipend starting with the **February 2nd paycheck** over six pay periods. If the appointment is terminated, any outstanding fees balance must be paid in full.

The following is an illustration of the per pay period deduction for a student enrolled for 9 credit hours on a typical GA contract for Spring 2024:

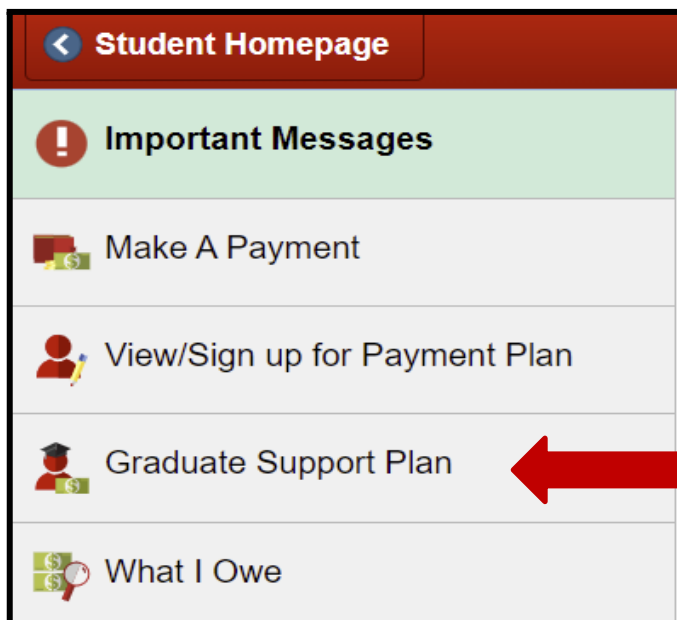

GA Contract	1/1/2024 - 5/15/2024		
	Fees	# of Pay Periods	Deduction Per Pay Period
Student Fees	\$1,291.13	6	\$215.19
Engineering Fees	\$750.00	6	\$125.00
TOTAL	\$2,041.13		\$340.19

Please note that the student fees will be lower for a student enrolled for less than 9 credit hours. Please refer to the [Cashier's Office website](#) for tuition and fees information.

The new [Graduate Stipend Estimated Payment Calculator](#) can assist GA's determine their net stipend if they choose to enroll in Payroll deduction for fees.

Payroll deduction may be used to pay full or part time fees, including the engineering fee, if applicable. Your deduction amount will be updated to match your actual hours after census if necessary. **Only students on Assistantships may use payroll deduction.** Students on Fellowships must make other arrangements to pay their fees, including our [monthly payment plan](#). Please contact your department if you are unsure if you qualify.

We have received authorization to deduct payment for your Spring 2024 student fees from your paycheck. Deductions will be made beginning with your February 2nd paycheck and will continue for 6 consecutive paychecks. You will continue to receive billing statements until your account is paid in full. Please be sure you signed up for the correct number of hours. Deductions can be made for full time or part time fees (FEES, ED&TECH FEE, CAMPUS SECURITY FEE and COE FEE if applicable). No other charges can be paid with payroll deduction. See go.ncsu.edu/payoptions for other payment options.

Students must have an active assistantship in NextGen before they can enroll in the payroll deduction option.

If you are receiving loans, grants or scholarships, please let us know so that we can be sure you receive the correct refund of excess funds.

Paying your fees will not stop this deduction, you must email studentaccounts@ncsu.edu to stop your deduction (updates need to be made prior to January 19). If you adjust your hours, you will need to update the amount deducted.

If you are on a fellowship, you should not use this method to pay your fees. See go.ncsu.edu/payoptions for other payment options.

If you have any questions about your deduction, or need to cancel this deduction, please email studentaccounts@ncsu.edu. Please do not contact the Payroll Office for questions related to payroll deduction of fees.
