

Summer Health Insurance

For continuing students, summer health insurance is included in Spring insurance;
If the student qualifies for GSSP benefits in a spring semester, they will automatically have health insurance through 7/31

Newly admitted graduate students can be added to insurance early **ONLY** if they actively meet **ALL** minimum GSSP requirements for the upcoming term

- Appt. must meet **all** min requirements
- Appt. must be fully approved by **all** parties
- Appt. must **not** be state funded
- Can only activate on May 1, June 1, July 1.
 - If Fall minimum requirements met May 15, student can be enrolled effective June 1
 - Insurance enrollment cannot be backdated to the beginning of the month – May 1
