

**NC STATE**  
UNIVERSITY

The Graduate School

# by the numbers

---

**NC State ranks in the top 1% of universities worldwide  
(Center for World University Rankings)**

**#2** best public college in North Carolina for value (Money)

**#2** nationwide for active licenses and options; **#3** nationwide for startups launched among universities without a medical school  
(AUTM Licensing Activity Survey)

**#2** for research commercialization among public universities in the U.S.

**#7** best value among U.S. public universities nationally  
(U.S. News & World Report)

**3** federally funded collaborative institutes tackling some of the world's biggest challenges

**25** faculty who are members of the National Academies

**\$476M** in new sponsored research in FY23

**200+** startups and spinoffs based on NC State research;  
**\$1.7 billion** in venture capital

**1,500+** U.S. patents awarded and nearly **2,000** patents worldwide

# why nc state?

---

With a focus on solving real-world problems through innovative research, NC State's graduate programs are committed to transforming graduate education—to prepare our best and brightest students to be true leaders ready to tackle the critical issues that challenge our state, nation, and world. Our goal is to prepare career-ready students with a true competitive edge through a focus on professionally oriented training designed for the real world. In scope and quality, our graduate programs are superb. We offer master's and doctoral programs in a full range of traditional disciplines, as well as a variety of graduate certificate programs and degree programs that can be completed online.

Science, technology, engineering and mathematics are our core strengths. We also offer strong programs in design, education, management, the humanities, and the social sciences. Our location in

North Carolina's Research Triangle means the best of industry-government-university partnerships. Our quarter century-old Centennial Campus reflects the university model of the future, where young investigators collaborate with faculty mentors, private companies, and public agencies to solve real-world problems.

NC State boasts a talented graduate student body of more than 9,600 degree-seeking master's and doctoral students who reflect a richness and diversity that energize this community of scholars. They come from all 50 states and from over 100 countries. On average, we confer over 3,000 graduate degrees each year. We're proud of our students, of their achievements, and of the outstanding graduate faculty who are their mentors.

We encourage you to visit our campus. Talk with faculty and graduate students. See for yourself all that North Carolina State University has to offer.

***Economic growth and strength*** depend on the ability to innovate. For more than 125 years, North Carolina State University has been at the forefront of innovation—in our educational methods, in industry partnerships that drive discoveries to the marketplace, in research that improves lives.

That's why our students excel in the jobs of today and create the jobs of tomorrow. Our expertise attracts industry clusters to North Carolina. And our innovations transform entire economies.

NC State thrives at this intersection of creativity and execution. Our collaborations with industry, government, and other universities in the Research Triangle make us ideally suited to lead the innovation that will lift North Carolina—and the nation—to new levels of global competitiveness and economic prosperity.

# how to apply

---

Prospective students anywhere in the world can quickly and easily apply to the Graduate School online at [grad.ncsu.edu](http://grad.ncsu.edu). The Graduate School admissions website also links to the Graduate Catalog, the Course Catalog, individual graduate programs, and instructions needed to complete the application.

## WHAT YOU NEED

To apply for graduate study at NC State, you need to provide the following:

- Non-refundable \$75 application fee (\$85 for international applicants)
- Official English proficiency scores (IELTS, Duolingo, or TOEFL) for international applicants of some countries
- Standardized test scores
- Uploaded transcripts (official transcripts required upon admission)
- Three letters of recommendation
- Statement of purpose

## DEADLINES

Most programs only admit students for the fall semester, although some offer spring admission. Since many programs have deadlines earlier than those of the Graduate School, please check with the program to which you are applying.

## MORE INFORMATION

For program specific information, visit [go.ncsu.edu/degree-programs](http://go.ncsu.edu/degree-programs)

## financial aid

---

**NC STATE** offers graduate students a broad range of financial assistance options to help with tuition and living expenses. Financial support is available through fellowships, traineeships, assistantships, federal work-study programs, and student loans.

For more information, please visit: [go.ncsu.edu/financial-support](https://go.ncsu.edu/financial-support)
