

GSSP - DGP - Confirming Benefits Have Been Applied

GSSP benefits are automatically applied to student accounts when all minimum requirements are actively met in SIS at Census or when the department indicates a commitment to fund the student through GSSP via the Roster.

The best way to confirm that GSSP benefits have been applied is to check the student's record in Graduate Support. Learn how to navigate to Graduate Support [here](#).

STEP 1

You should first check the "Current Graduate Support Term" Box to confirm which benefits the student is eligible for. This student is eligible for Health Insurance and In-State tuition only.

All minimum requirements must be actively met at Census, or the student will not qualify for GSSP benefits in the given term.

The screenshot shows the Graduate Support system interface. The left sidebar contains a navigation menu with items like 'Welcome', 'Student Accounts and Billing', 'Department Awards / Sponsorship', 'Fellowships / Grad Support', 'Fellowship Forms', 'Fellowships (Ctl Ofc)', 'Student Fellowships', 'Fellowship Dept Summary', 'Fellowship Award Form', 'Fellowship Feed Import', 'Fellowship Queries', 'Load Fellowship Nominations', 'Access Dept Fellowships', 'Fellowship Form Control', and 'Fellowship Setup'. The main content area has tabs for 'Eligibility', 'Funding', 'Tuition', and 'Insurance'. The 'Eligibility' tab is active, showing the 'Current Graduate Support Term' box highlighted with a red rectangle. This box contains the following information:

Current Grad Support Term: 2025 Spring Term
Eligible for Tuition Support? Eligible

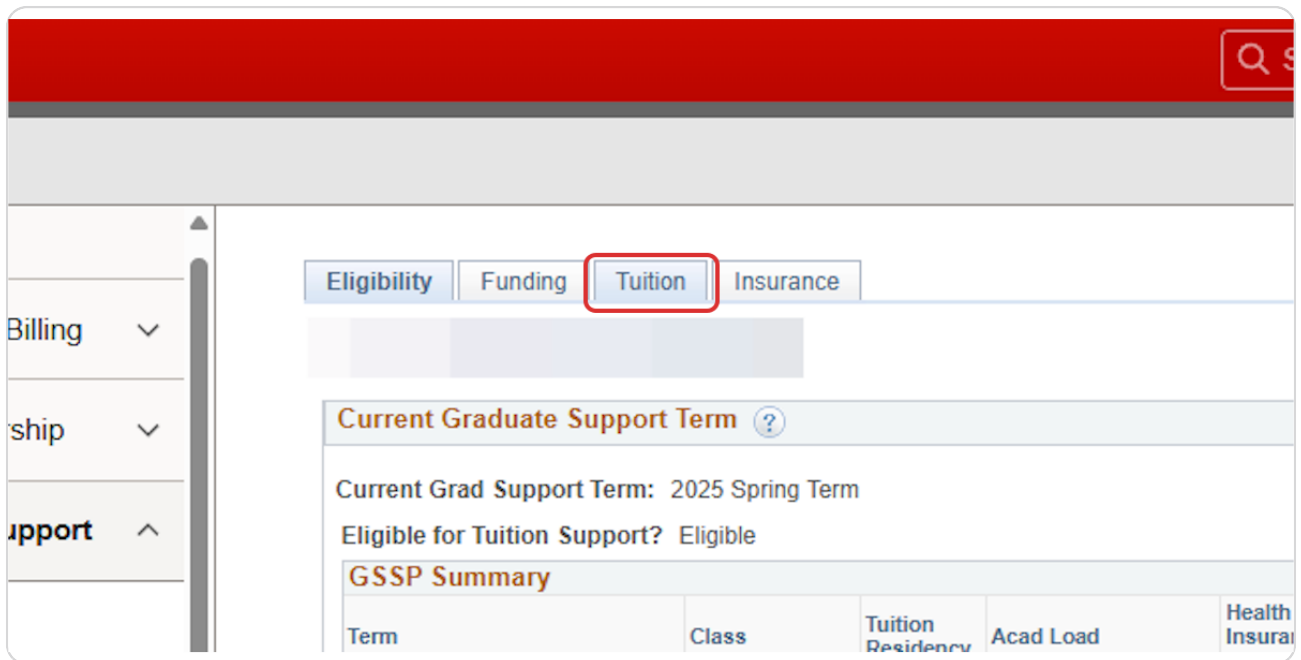

GSSP Summary

Term	Class	Tuition Residency	Acad Load	Health Insurance Eligible	In-State Tuition Supp Eligible	Out-State Tuition Supp Eligible	Funding Source	TPC (click)	Payroll Deduct for Fees?	Previous Master's	GSSP Admit Term
GSSP Term Spring '25	Doctoral	IN	Enrolled Full-Time	Y	Y	N	Research/Teaching Assistant	<input checked="" type="checkbox"/>	N	N	Fall '20

Below the 'Current Graduate Support Term' box, there are sections for 'Program Stack Information', 'Residency', and 'GSSP Eligibility'. The 'Program Stack Information' section shows a table with columns for Career, Car #, Admit Term, Program, Plan, Status, Load, and Units Load Term. The 'Residency' section shows a table with columns for Residency, As Of Term, and RDS Status. The 'GSSP Eligibility' section shows a table with columns for Final Term of Eligibility for Tuition Support, Classification, GSSP Admit Term, and Previous Master's.

STEP 2

To confirm if tuition award(s) have been applied, click the "Tuition" tab at the top of the window.

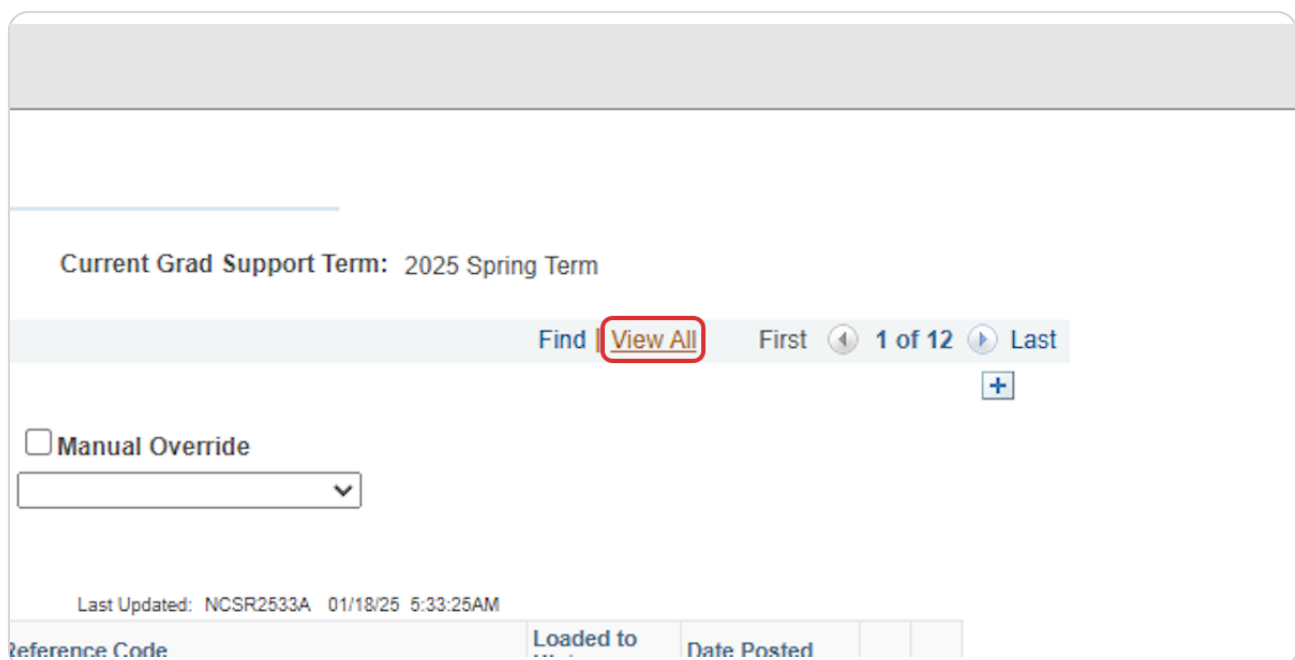

The screenshot shows a web application interface with a red header bar containing a search icon. On the left is a sidebar with a vertical scrollbar and menu items: "Billing" (with a dropdown arrow), "ship" (with a dropdown arrow), and "upport" (with an upward arrow). The main content area has a tabbed interface with four tabs: "Eligibility", "Funding", "Tuition" (highlighted with a red box), and "Insurance". Below the tabs, there is a section titled "Current Graduate Support Term" with a help icon. It displays "Current Grad Support Term: 2025 Spring Term" and "Eligible for Tuition Support? Eligible". Below this is a "GSSP Summary" section with a table. The table has five columns: "Term", "Class", "Tuition Residency", "Acad Load", and "Health Insurance".

STEP 3

We recommend that you click "View All" to see all semesters of tuition support.

This also allows you to view both the in-state tuition award as well as the tuition remission award if the student qualifies for both.

The screenshot shows a web application interface with a grey header bar. Below the header, there is a section titled "Current Grad Support Term: 2025 Spring Term". Below this, there is a row of controls: "Find" (with a search icon), "View All" (highlighted with a red box), "First" (with a left arrow), "1 of 12" (with left and right arrows), and "Last" (with a right arrow). Below these controls is a checkbox labeled "Manual Override" and a dropdown menu. At the bottom, there is a status bar with the text "Last Updated: NCSR2533A 01/18/25 5:33:25AM" and a table with columns "Reference Code", "Loaded to", and "Date Posted".

STEP 4

This student only qualifies for the in-state tuition award.

The amount based on credit hours enrolled is applied to the student account.

BCBS Action (all terms) ?

Tuition awards are applied to student accounts overnight. It can take several days for insurance to be processed and for BCBS to waive RA-TA plan members from the mandatory health insurance plan.

New International Students cannot be enrolled in RA-TA health insurance until we have a US address on file for the student. They should not list the graduate school or departmental address as their US address for insurance enrollment. BCBS will automatically mail out insurance cards to students as new enrollments are processed.
