# Frequently Asked Questions

**Q: Is the New TA Workshop required?**

A: Although not required, The Graduate School encourages individual departments or colleges to make participation a requirement so that new TAs receive information that can help them be successful in their teaching role.

**Q: How do students register for the New TA Workshop?**

A: Students register via <https://go.ncsu.edu/new-ta-workshop> (or the QR code shown earlier)

**Q: How many times a year do you offer this training?**

A: We provide a full-scale New TA Workshop once per year in August. We offer smaller-scale teaching workshops throughout the fall and spring semesters (and these count towards the Teaching Certificate). More info at Teaching Programs website <https://go.ncsu.edu/teaching-certificate-gs>

## How HR Representatives Help Us:

We appreciate the assistance of the HR representatives. You are the main connection that helps us identify who to contact about the New TA Workshop. The earlier TA hires are processed, the sooner we can let those students know about the free training that can help them succeed in their teaching role.
