grad.ncsu.edu/faculty-and-staff/three-year/

Full & Provisional Admission

- A *full* admit meets all Grad School and department requirements
- A *provisional* admit does not meet the min. requirements but is otherwise acceptable or does not meet dept. pre-reqs
 - Potential Scenarios: undergrad GPA below 3.0, has grad GPA above 3.0; or needs additional science, etc.
 - Requires a strong justification
 - *Not allowed for international applicants*

Justification & Provisions

- A strong justification should clearly explain why the DGP believes the applicant is admissible and demonstrate specific qualities or accomplishments that indicate the applicant is prepared to succeed in graduate level coursework. Include applicant-specific details, especially when requesting an alternate method for demonstrating English proficiency.
- Examples of Provisions:
 - earn a B or better in the first 9 or 12 grad credit hrs.
 - Achieve a 3.0 or higher GPA in the first semester
 - earn a B or better in a specific course

Requesting Full vs. Provisional

- An applicant not meeting min. requirements may warrant *full* admission
- *Just* below the minimum requirement
- Extenuating circumstances
- Some depts. request applicants enroll in PBS grad-level courses first

Deferment of Admission

- Must be approved by the DGP
- Notify your Graduate School liaison
- Allowed for one year from application submission and can be deferred up to one year out from the original admit term.

Campus Safety

Graduate Assistantships & Fellowships

Richard Corley

Program Manager, Graduate Appointments and Fellowships

What is a Graduate Assistantship?

- A graduate assistant is a **student employee** of the university.
- Work a set number of hours per week for a stipend.
- They are **salaried employees**, not hourly employees.
- Eligible assistantships receive tuition and health insurance coverage through the **Graduate Student Support Plan (GSSP)**.
- Option to enroll for **Payroll Deduction for Student Fees**.

Types of Assistantships & Requirements

Types

- Graduate Research Assistants (A148)
- Graduate Teaching Assistants (A138)
- Graduate Teaching & Research Assistants (A178)
- Graduate Services Assistants (A198) ***does not qualify for GSSP**

Requirements

- Enrolled in the Fall and Spring semesters
- Must be enrolled full-time to qualify for GSSP benefits
- Must maintain good academic standing (3.000 GPA) at all times

FTE Regulations

Students	Term	Hours/Week	FTE
U.S. Students/Perm. Residents	Fall/Spring Semester	29 Hrs	0.725
U.S. Students/Perm Residents	Summer	**40 Hrs	**1.00
International Students	Fall/Spring Semester	20 Hrs	0.5
International Students (not first or final term)	Summer	**40 Hrs	**1.00

**Summer is usually treated as a “vacation term” for on-campus employment purposes and international students may work more than 20 hours per week.

****FICA Tax Exemption:** Graduate students must work less than 30 hours per week and be enrolled at least half time (3 hrs - fall/spring or 1 hr - summer) for FICA tax exemption. If both criteria are not met, SSN and Medicare taxes will be withheld from their paycheck.

Assistantship Employment Dates

The Graduate School encourages the use of semester dates instead of the dates on which classes begin and end. All assistantships except GTA may begin and end at anytime during the year.

Semester/Term	Start Date	End Date
Fall Semester	8/16/2026	12/31/2026
Spring Semester	1/1/2027	5/15/2027
Entire Academic Year	8/16/2026	5/15/2027
Summer I Session	5/16/2027	6/30/2027
Summer II Session	7/1/2027	8/15/2027
Entire Summer Session	5/16/2027	8/15/2027

NextGen Graduate Appointment System

- To **hire, modify** and **separate** your graduate assistantships.
- To streamline necessary HR and Funding approval processes.
- Creates an official electronic **Terms and Conditions (T&C)** for payroll processing.
- Access is based upon a series of approval roles via **Security Access Request (SAR)**.

NextGen Approval Workflow

Best Practices

All appointments should be entered prior to the start date.

GA job code should match the actual work that is performed.

Use the NextGen Grad Worklist to track your hiring actions.

International graduate students cannot work more than 20 hours per week.

Use the correct effective date for your GA hires because incorrect dates can create payroll issues and interfere with benefits

Department Fellowships

Fellowship System: Used to process departmental fellowship awards to graduate students using internal funds and resources.

- **Submit new fellowship awards**
- **Modify existing fellowship awards**
- **Terminate existing fellowship awards**
- **Copy existing fellowship awards for another student**

Fellowship Offer Template Letter: Available for department use and can be revised to suit program specifications.

Fellowship Stipend Payment Schedule: University fellowship schedule for payment disbursements to student accounts.

Graduate Student Support Plan (GSSP)

Dare Cook
GSSP Manager

The Basics

What is the GSSP?

The Graduate Student Support Plan (GSSP) is a **financial support package** to attract top students to NC State University.

Graduate Students eligible for the plan receive **tuition** and **health insurance** benefits at no cost.

LEARN MORE: go.ncsu.edu/gssp

Size & Scope – FY 2025

Participation:

Over **3,300 students**; ~ **57%** of all on-campus graduate students

Funding:

Over **\$71.1 million**

- **\$ 50.4M** – Graduate School (Provost allocated funding)
- **\$ 20.7M** – Other Funding Sources (non-state funding sources, including grants)

Minimum Eligibility Requirements

Qualifying RA, TA appointment or Fellowship with minimum stipend and start and end dates

Enrolled Full-Time

On-campus Master's or Doctoral Programs only
- No Distance Education or Certificate Programs

Let's take a closer look at
eligibility requirements

Qualified Appointment Checklist

- Start/End dates
 - ✓ Must begin on or before Census
 - ✓ Must last 30 days beyond first day of classes to qualify (9/18)
 - ✓ Must last through November 30 (or April 30) to earn full tuition award
- GA Appointment Type / Primary Fellowship
- Minimum Annualized Stipend

What GA appointments qualify?

Appointment	Type (Job Code)	Qualified?
<u>Assistantship</u>		
	RA (A148)	✓
	TA (A138)	✓
	RA/TA (A178)	✓
	Graduate Service Assistant (A198)	☐
<u>Fellowship</u>		
	Primary	✓
	Supplemental	☐

Minimum Stipend

The minimum stipend to qualify for GSSP benefits is \$15,000 annually for Master's students and \$20,000 annually for Doctoral students.

Breakdown by appointment duration:

GA Term	Start Date	End Date	# Pay Periods	Master's Minimum	Doctoral Minimum
Annual	8/16/2026	8/15/2027	26	\$15,000	\$20,000

Primary Fellowship – Minimum Stipend by Term

Fellowships are awarded by NC State departments. These are not external fellowships received directly by the student.

Primary Fellowship	Supplemental Fellowship
 Eligible for GSSP benefit	☐ NOT eligible for GSSP benefits
At least \$5,525/semester for Master's students	Less than \$5,525/semester for Master's students
At least \$7,500/semester for Doctoral students	Less than \$7,500/semester for doctoral students

Lower ledger 2x projects **cannot** be used to fund departmental fellowships

What is Full-Time enrollment?

Most graduate students are considered full-time at 9 credit hours.

- As thesis/dissertation students meet the minimum hourly requirement for the degree, they can be considered full-time with fewer than 9 hours:

Degree	Minimum Required Credits for Degree	Minimum Hours Completed?	Required Hours for Full-Time
Master's – Thesis	30 hours	No	9 hours
Master's – Thesis	30 hours	Yes	3 - 8 hours
Master's – Non-Thesis*	30 hours		9 hours
Doctoral – Thesis	72 hours	No	9 hours
Doctoral – Thesis	72 hours	Yes	3 – 8 hours

* Departments must submit [Academic Load Waivers](#) for **non-thesis master's students**

International students on an approved Reduced Course Load (RCL) are by definition NOT enrolled full-time and will not automatically qualify for GSSP benefits!

Let's take a closer look at
the types and duration of
benefits

Type and Duration of Benefits

RA-TA Health Insurance (GSHI)

No limit on number of eligible semesters

Will be enrolled in the RA/TA Plan even if beyond allowed semesters for tuition

Allows for dependent enrollment (at student's expense)

In-State Tuition (ISTA)

Master's - 4 semesters

PhD with Master's – 8 semesters

PhD with no prior Master's - 10 semesters

Tuition Remission (TR)

Tuition Remission is the difference between the in-state and out-of-state tuition rates.

International – Same duration as ISTA

Domestic Out of State Students & Perm. Residents - **First two semesters of enrollment ONLY**

Each semester of enrollment is applied toward eligibility, even if tuition benefit is not used
GSSP does not pay Premium Tuition or Student Fees

NC Residency and Tuition Remission

GSSP will only pay the Tuition Remission (TR) portion of the student bill for **the first two semesters of enrollment** for *Domestic Out of State students and US Permanent Residents*.

These students are expected to begin residency acts when they arrive in NC, anticipating applying for NC Residency Reclassification once they have been in the state for 365 days.

Please help us inform students of this at your departmental orientation!

[NC Residency](#)

RA-TA Health Insurance Plan - GSHI

- [RA-TA GSHI](#) plan is separate from the [University's Mandatory Student Health Insurance Plan](#). Both are called Student Blue.
- No limit on number of semesters of eligibility (unlike tuition benefits)
- Automatically enrolled once GSSP eligible
 - Insurance card designates RA-TA
 - Will receive notice of waiver from mandatory plan from BCBS
 - **Must [notify the Graduate School](#) if student wishes to waive RA-TA insurance!**

 - Basic vision is included. Students can add dental through BCBS at their own expense.
- Can students add dependents?
 - Yes, student can [enroll](#) dependents **at their own cost** *during the open enrollment period* (August/September) or within 30 days of a qualifying life event.

Enrollees	Monthly Premium

The Process:

**How do
students
receive benefits
and who pays?**

GSSP Workflow

Receiving Benefits

For students to receive benefits, **the graduate appointment (and all other [eligibility requirements](#)) must be fully approved by all parties by **Census day** (10th day of classes – August 28, 2026)**

- Benefits are applied when:
 - The appointment is fully approved
 - OR
 - The Department has informed the Graduate School via the [Roster](#) that they intend to add an eligible appointment
 - [Timeline](#)

Graduate Support Roster

Purpose: Allows the DGP/GSC to provisionally apply GSSP benefits for students whom the department/PI intends to provide a qualifying GA appointment/fellowship.

- Gives the departments until Census day to complete the GA appointment in NextGen or students to enroll full-time
- Otherwise, we would have to wait for ALL elements of GSSP to be met before applying benefits.
 - Many appointments are approved before student bills go out or are due.
 - If placed in a timely manner, will present the student with a “true bill” when bills are sent to students.
- System ONLY applies benefit(s) that student qualifies for

Curriculum issues

- Program requirements = contract with students
- Need to be clear, thorough and up-to-date
- Documented in the NC State catalog (and captured in degree audits)

The Catalog

- Lives here <http://catalog.ncsu.edu/>
- Is gorgeous
- Is the **only** reference to program requirements (as opposed to, say, a dept. webpage)
- Explore the catalog for your program(s)
- Get in touch with us about course/program changes and catalog updates
